E. Hammond, S. Taylor and Arthur William.

This case fixed for this day came up, regularly, present R. King Cutler Atty. for Plaintiffs, and John P. Smith atty for Defts. When after hearing the evidence and argument of counsel, It is ordered, adjudged, and decreed, as follow: to wit:

Judgment.

On a former suit between same parties for the same cause of action, the court expressed its opinion on the merits of the case to prevent the excitement which accompanies this cause of action and also to prevent further litigation which in this case is exceedingly expensive It appears this opinion did not stop litigation and expense, but the suit is again renewed. No further or additional evidence was introduced except that at the present time the Defendants have more sympathizers or adherents who are members of the corporation than plaintiffs. Now corporations do not act or bring suit by the individual members but by their officers properly elected nor can they without them acting as a corporation and in a body prevent their agents do anything which they have entrusted them with

The evidence shows from the record of the corporation, that the plaintiffs were elected its officers, and by referring to the court's former decission will be seen the reason why it concluded that plaintiffs had a right to recover the sacred vessels which appear to be worth $35, Therefore It is ordered adjudged & decreed that the plaintiffs do have judgment against Defendants and that the defendants do deliver to plaintiffs the sacred vessels described in their plaintiffs petition to wit.

R. King Cutler
vs.
S. C. Covington.

In this cause Submitted to the court Plaintiff claims from defendant $100 & legal interest from judicial demand a portion of which is balance due on note the rest on open account Defendant answer first a general denial & Specially that no consideration was given for the amount of note, further that said note was given upon condition that plaintiff should take Defendant through bankruptcy & obtain his discharge & that plaintiff failed to do so to the damage of defendant in the Sum of $400 & interest from judicial demand which he claims in reconvention Defendant claims upon trial that the failure of plaintiff to procure his discharge in Bankruptcy within Six months or a year has & does now preclude him from obtaining said discharge the damage. This claim is untenable The act of congress approved July 26th 1876 on the Subject of Bankruptcy provides that the Bankruptcy court procure his discharge at any time Subsequent to the passage of said act, except there be shown some fraudulent act upon his part beside it is not proved that it was impossible even before the act named that plaintiff could not procure defendant's discharge by reason of not applying in the twelve months after bankruptcy

Defendant has therefore Shown no damage plaintiff has proven the correctness of his claim & that the Sum is due and owing.

It is therefore ordered, adjudged, and decreed that the reconventional demand of Defendant be dismissed at his costs & that plaintiff R. King Cutler have Judgment & recover from Defendant One hundred & 00/100 Dollars legal interest from judicial demand and costs of Suit.

No 580.
Succession of Henry Bossy
Henry Bossy for Mrs Catherine Bossy.

On motion of Cotton & Grey of counsel for George Bossy, administrator of the above Successions,

It is ordered that Opponent herein show cause on Saturday the 14th day of July 1877 at 10 o'clock A.M. why a new trial should not be granted on the judgment rendered on the opposition herein by this Court on the 2nd day of July 1877, on the following grounds.—

First That the judgment is contrary to the law and the Evidence in this—

Second That it is well settled in the jurisprudence of this State that Evidence can be offered at any time prior to the decision of the cause, more especially when such Evidence is not of a nature to surprise the other party, and the Court erred in refusing to receive Evidence offered by the administrator prior to the opening of the argument;

Third That said Evidence is the best Evidence which could be produced in the case & would have destroyed the presumptions of the opponent, and the Ends of Justice can not be subserved but by the admission of said Evidence and a new trial should be granted and said Evidence admitted and given its full force and effect.

Fourth That the items detailed in the vouchers annexed and filed with this motion, show on their face that the amounts therein set forth have been paid since the decease both of the father, son and mother and the presumption must necessarily arise that said sums were paid by mover as administrator of said Estates and a new trial should be granted and said vouchers received in Evidence.—

No 402.
Succession of L.W. Fletcher.

To the Hon the Judge of the Parish Court, Parish of Jefferson.

The petition and opposition of Odin Fletcher, who resides in Beloit, Wisc, Shows,

That he opposes each and every item on the paper filed by J.R. Walker and styled an account as Native tutor—and petitioner & opponent further represents that he is the only child and heir of Dr L.W. Fletcher who died in the Parish of Jefferson in 1867 — That the said Dr L.W. Fletcher was possessed of considerable means in money, furniture apparel, surgical instruments, books &c. and that upon his death J.R. Walker representing himself as a friend of deceased, assumed possession of the Estate and procured from the Court having probate jurisdiction an order appointing him Native tutor to your petitioner although petitioner was not then nor has he since ever resided in the State of Louisiana

Petitioner Shows that said J.R. Walker filed what he called an Inventory of said Succession, but that he failed to have included in said Inventory the money left by deceased, his surgical instruments his gold watch & chain & many other articles of value amounting

together to at least Five hundred Dollars—

Petitioner shows that the amount of values placed on the so called Inventory was four hundred and two Dollars and that the articles were appraised far below their worth.— That said Walker procured from Court an order for the sale of the property and without taking proper steps to secure a fair price for the articles purchased for himself the greater part thereof without authority of law— Petitioner avers that J. R. Walker, Dative tutor has not accounted for all that has come into his hands in his said capacity— further Denies that said Walker has been to any cost or expense in the matter of this succession and petitioner pleads prescription against all the items charged against him and to the credit of said Walker on said account and especially expenses as not due by said succession and not paid by said Walker, Item J. B. Farar $20— J. R. Walker $25 J. R. Walker 10.— for T. Marie 22.90— R. L. Preston 135.00 J. H. Ferguson atty's fees 10.— B. Campbell notary 10.— J. C. Walker atty 40— J. Sharp 40.—

Petitioner avers that by reason of the illegal & tortious acts of the said J. R. Walker he has become liable to petitioner for the amount of property in his hands with interest from the date of his possession to wit the 12. Sept. 1867.

Wherefore petitioner prays that the said account so called be rejected and that in the settlement of this succession Petitioner have judgment against said J. R. Walker, Dative tutor and his security with lien & privilege on his property for Nine hundred & two Dollars with interest from 12. Sept. 1867, till paid and that said Walker be condemned to pay all costs of Court. & for general relief Signed B. C. Elliott.
